

## **Technical Seminar:**

(Jointly organized by HKIOEH and HSEO of PolyU)

### **Occupational Hygiene Relevance in Aviation Medicine**

*A seminar for occupational hygienists, health and safety officers, environmental scientists, engineer and all those who concern the occupational hygiene in aviation industry.*

*In the seminar, Dr Mandy Ho will present the scope of Aviation Medicine, including civilian and military, and the training for the Diploma in Aviation Medicine of the Faculty of Occupational Medicine, Royal College of Physicians of London. Some examples of Occupational Hygiene relevance, e.g. aircraft cabin air contamination, aviation ergonomics, thermal stress, noise and radiation exposure, will be discussed.*
