Hong Kong Institute of Occupational and Environmental Hygiene

Annual Report 2020/21

TSE Lap Ah, Shelly
President (2020/21)

I declare no conflict of interest

Being the president of this year, I would like to sincerely thank all who participated in and supported the Institute, in particular the EC members for their generous contribution of their precious time and great effects to the Institute. Meanwhile, I would also like to take this excellent opportunity to express my gratitude to all of you for your contribution of valuable time and diligent work to the development and promotion of occupational & environmental hygiene in the professional society.
